5/10/2009

Dear Parents,

Thank you so much for your interest in Liberty Christian Schools for the 2009-2010 school year. As we move into our sixth year, Liberty Christian Schools is excited to offer a Christian education to the students in Soledad, Greenfield and the surrounding communities.

We emphasize getting **Back-to-the-Basics of Bible, Reading, Writing, and Arithmetic**. Our goal is to prepare each student spiritually and academically for the plan that God has for him or her. We move through-out every day with a God-centered worldview.

"Jesus said, "Let the little children come to Me, and do not forbid them; for such is the kingdom of heaven." Matthew 19:14.

Liberty Christian School is a "work in progress," with each new school year bringing an exciting time of growth and renewal. This year we will begin construction of our 2-story building at Liberty Chapel.

This new facility will replace the Kindergarten – 12th grade classrooms and library connecting to the sanctuary. Once built the new 2-story facility will provide a cafeteria area, larger and more classrooms, restrooms and kitchen areas on both levels. The facility will be beautiful and more functional for the school and church.

Our current school facility is located at 395 East Street in Soledad. We are conveniently located across the street from the Little League Park and Playground. We are only two block from Liberty Chapel Community Church and Liberty Daycare & Preschool.

Liberty Christian Schools do not discriminate on the basis of race, national origin, religion, creed, color or sex.

"...You shall love your neighbor as yourself." Matthew 22:39

If you have any further questions, please do not hesitate to call Chelsey at 678-2885 or contact me directly at 214-5770.

Sincerely,

Erika L. Schumacher
Director
